

THE SCHOOL DISTRICT OF PHILADELPHIA  
**CHARLES W. HENRY ELEMENTARY SCHOOL**  
601 Carpenter Lane, Philadelphia, PA 19119

March 22, 2020

Dear Charles W. Henry Community,

I hope this letter finds you healthy and well. I am writing to share a few updates and additional resources with our school community.

### **Learning at Home**

Many of our C.W. Henry teachers have shared resources for learning at home. We know that for some families, continuing schoolwork at home is very doable and for others it is more of a challenge. We understand that many families have limited or no access to technology making access to websites or digital resources difficult. These assignments provided by C.W. Henry teachers are ungraded for the duration of time that school is closed. The School District's [Learning Guides](#) are available for pick up at the designated meal sites. A second learning guide will be available next week.

### **Meal Sites**

Beginning on **Monday, March 23rd**, some of the meal sites across the city will shift. Meals will be available from 9am - 12pm, Monday - Friday. Each family will receive six meals per student, three breakfasts and three lunches. The closest sites to C.W. Henry are Roosevelt Elementary School, Roxborough High School, or Martin Luther King High School. [Click here](#) to find the list of school meal sites. Learning guide pick up also happens at these sites.

### **C.W. Henry Website**

On our CW Henry website, [henry.philasd.org](http://henry.philasd.org), there is now a tab at the top with all of the resources we've shared since school closed. Check it out below:

### **Additional Resources**

If you have internet access at home, [brainpop.com](http://brainpop.com) and [brainpopjr.com](http://brainpopjr.com) are two great websites for educational videos and activities. Please use the username and password below to access:

---

[Lakeshore](#) is also offering many free resources for learning at home. This includes daily writing prompts, lessons/activities, printable worksheets, calendars, and crafts/activities.

**Staffing Change**

Mr. McCline, our School Climate manager, has moved on from his role at C.W. Henry. He is now in an Assistant Principal position at another school. While we are incredibly sad to see him leave, I am supportive of his transition as he moves on to another professional opportunity. The Climate Manager position is currently vacant at C.W. Henry. I am currently working with the Talent team to fill this vacancy. When school reopens and you have school climate needs in his absence, please reach out to me.

**School Budget**

We were unable to have our community budget presentation scheduled for March 17th due to school closure. Because of this, I've recorded a 12-minute presentation to share the budget information with families. At the end of the presentation there is a Google survey for you to share any questions, comments, or feedback. The presentation is attached to this letter. Please use [this link](#) to provide any feedback. I have to submit the budget on Tuesday morning so please share any feedback by the end of the day on Monday, March 23, 2020.

As always, we are here for any questions you have regarding this school closure. As more information is shared with me by the School District of Philadelphia I will continue to share it with our school community. Please feel free to reach out to me at [kdavis4@philasd.org](mailto:kdavis4@philasd.org). Please stay safe and well.

Sincerely,

Principal Davis
