

THE SCHOOL DISTRICT OF PHILADELPHIA
CHARLES W. HENRY ELEMENTARY SCHOOL
601 Carpenter Lane, Philadelphia, PA 19119

Our Playground is GROWING!

March 4, 2020

Dear Parents and Guardians,

We are pleased to announce that lower school playground will receive a very exciting upgrade in the upcoming months. Through the School District of Philadelphia, C.W. Henry School is receiving a second play structure that will be built side-by-side with the existing playground! The company responsible for the new playground incorporated feedback the PTA collected over the years. We are so excited about what's to come and now we need your input to help us pick the color scheme. Please use the attached Google survey (<https://forms.gle/jkbSnKEYE63EuEgB6>) to vote on your favorite color choice by 3pm on Friday, March 6.

A few more details about the playground: New rubberized surfacing will be installed underneath the new equipment, flush with the surface that the PTA added in August 2019. A replacement basketball court will be installed to the right of the schoolyard stairs. The district estimates 1.5 weeks in total for the installation of the new structure. We anticipate that construction will begin on Monday, April 13. As we get closer to this date we will communicate more about the project details.

We appreciate your support and hope you are as excited as we are! Please take the opportunity to vote on your favorite color scheme,

Thank You,

Ms. Katharine Davis, Principal
Leah Corsover, parent + PTA President
Kristin Roth, parent + PTA Playground Chair
