

THE SCHOOL DISTRICT OF PHILADELPHIA
CHARLES W. HENRY ELEMENTARY SCHOOL
601 Carpenter Lane, Philadelphia, PA 19119

March 26, 2020

Dear C.W. Henry Families,

I hope everyone is staying healthy and safe. As the COVID-19 (Coronavirus) outbreak continues to affect our city, one of the School District of Philadelphia's goals is to ensure that students continue to receive meals and learning guides during the closure. New learning guides are available digitally. Paper copies will be available at designated sites beginning on Monday, March 30. [Click here](#) to access the guides.

As previously communicated by the District, schools will continue to remain closed through April 6th, 2020. There is a chance that this closure will extend. To address our students' learning needs, the School District of Philadelphia is building a digital learning framework that promotes equitable access to digital learning opportunities for students.

We are surveying the technology needs of the C.W. Henry community. In the upcoming weeks, the School District will provide students who do not have access to technology with a Chromebook to use during digital learning. At your earliest convenience, please complete this survey: [Technology Access](#). As a next step, I will share our community's technology needs with the School District by 4:00pm tomorrow, March 27. I ask that you share this survey with your C.W. Henry friends and parents of your child's classmates so we are able to provide as accurate of an estimate as possible.

I appreciate your support and will continue to be in touch as more information about our Remote Learning plan is released. Please continue to take care of yourself and your families.

Best,

Principal Davis
